the next global agenda toward peaceful planet

CTBT is on track to make the world free from testing the nuclear weapons in future. “No” to nuclear testing is the only pre requisite to nuclear debate , also a trend setter to progress in arms control and disarmament. There is a need to advocate the youngsters on the role of CTBTO,its mandate and prepare them for the years ahead in countering the challanges ahead. The Initiatives like bringing CTBT as a subject in curriculum and the positive role played by the CTBTO in promoting science technology will motivate the youngsters , and students to play a better role.
