

# CTBT: Science and Technology 2019 Conference

## Friday, 28 June 2019

### T2.3 Seismoacoustic Sources in Theory and Practice - Forum (11:45 - 12:30)

time	[id] title	presenter
11:45	[195] Analysis result of DPRK's nuclear test using Korea Meteorological Administration(KMA) infrasound network	JEON, Youngsoo
12:00	[205] Analyzing the Reduced Displacement Potentials of DPRK Nuclear Explosions Using Waveform Equalization Technique	SAIKIA, Chandan
12:15	[262] Data analysis and simulations of the Source Physics Experiments: Impact on explosion discrimination & monitoring	EZZEDINE, Souheil
