

Infrasound Technology Workshop 2017 (ITW2017)

Monday, 23 October 2017 - Friday, 27 October 2017

Scientific Programme

Split session: atmospheric sciences

Atmospheric sciences

IMS and IDC Infrasound Projects

IMS and IDC Infrasound Projects

Station engineering and performance

Station engineering and performance

Data Processing

Data Processing

Analysis of Sources and Scientific Applications

Analysis of Sources and Scientific Applications

Modelling & Network Processing

Modelling & Network Processing
