

Infrasound Technology Workshop 2018 (ITW2018)

Monday, 5 November 2018 - Friday, 9 November 2018

Scientific Programme

Data Processing and Station Performance

Data Processing and Station Performance

Modelling & Network Performance

Modelling & Network Performance

Measurement systems and calibration

Measurement systems and calibration

Analysis of Sources and Scientific Applications

Analysis of Sources and Scientific Applications

IMS, IDC and NDC Infrasound Projects

IMS, IDC and NDC Infrasound Projects

Poster session

Poster session
