

THANK YOU!

## FOR KEEPING US BUSY...

We are thrilled to introduce a regular **SnT2025 Newsletter**, your go-to guide as we count down to the big event! Each edition will keep you in the loop with the latest updates on conference preparations, planned events, panels and invited speakers, and requests!

With a record-breaking **879 abstracts** submitted, we are working on crafting an unforgettable SnT2025! **22 dedicated teams** composed of **Scientific Programme Committee** members and CTBTO staff are diving into your submissions to prepare a **high-quality programme**. We will keep you informed of the progress in the next Newsletter.

## WHAT'S GOING ON?

**Abstract review:** Leveraging AI technology, we meticulously check all abstracts for originality, including plagiarism and AI-generated text. This process takes time – we are committed to delivering inspiring and engaging oral and e-poster sessions. Thank you for your patience as we **review your abstracts!**

**Conference preparation:** The whole CTBTO is actively engaged into delivering a special conference with an emphasis on achieving balance between cost and scientific value for the **verification regime!**

## REGISTER & SPREAD THE WORD

Get ready for SnT2025, happening from 8 to 12 September 2025 at the historic **Hofburg Palace** in Vienna and **online!** This is your chance to connect with an inter-disciplinary experts' community engaged in CTBT matters and help us shape the future of the CTBT.

The countdown is on, and **registration remains open!** Help us spread the word and join this exciting global movement to drive progress, exchange ideas, and make an impact.

**Register now to let us know you are attending SnT2025!**

## STAY CONNECTED

*Are your conference details correct and up to date?*

Help us and log into **the SnT2025 platform** to check that your personal data are correct and complete! Please check, especially your affiliations.

**Stay tuned** – and get ready for an incredible journey to SnT2025. Watch this space for more exciting news in upcoming editions!

## WHAT'S NEXT?

### Help shape SnT2025!

The SnT2025 team is preparing **electrifying panels** and world-class keynote speakers on topics ranging from the history of the CTBT to the pressing challenges of climate change.

Would you like to propose an engaging speaker or an exciting topic?

Share your suggestions with us at **[SandT@ctbto.org](mailto:SandT@ctbto.org)** – we are open to ideas and want your input on shaping the conference lineup!
