

B. Doury, A. Kramer, J.B. Le Blanc, P. Campus

Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization (CTBTO)

P3.1-727

- Come over to see our poster if you would like to find out more about:
- How PTS engages with parent network operators, expert laboratories, the metrology community and equipment manufacturers to advance its Quality Assurance objectives for seismic and acoustic measurements
- Achievements and challenges for both seismic and infrasound technologies
  - Laboratory calibration
  - Field calibration
- A summary of relevant presentations, posters and events pertaining to calibration and quality assurance at SnT2025
