- Our poster is about On-Site Inspection Operations Support Centre (OSI OSC)
- I am going to tell you why the OSI OSC is important
- And what we did in the last 4 years to improve its operation and supporting functions
- The most important result of our work was the functional OSC during the 2024 OSI Build-Up Exercise, which gave solid foundation for functional OSI OSC during the coming 2026 OSI Integrated field Exercise.
- If you want to find out more, come over for a chat in front of our poster
