Required Of CTBTO To Be Considered

Friday, 2 July 2021 09:15 (15 minutes)

The measures required to be taken 'consistent with international law' to facilitate 'the early entry into force' of CTBT have already been exhausted. It may also be said that CTBTO has not on its part done the requisite homework to bring its operationalization. The 'Conference of Parties' is fully authorized to bring about, another set of measures which may bring it into force. There are number of issues that the CTBTO must work on to avoid the 'Fizzling fervency' (shaper:2007) of CTBT a landmark Treaty in International Law.
