

CTBT Science and Technology Conference 2021 (SnT2021)

Thursday, 1 July 2021

T1.3 - The Oceans and their Properties: Oral session - Location 3 (16:15 - 17:45)

time	[id] title	presenter
16:15	Session introduction	
16:19	[489] Seismic ocean thermometry using CTBTO hydrophone data	Mr WU, Wenbo
16:34	[648] Using ambient noise at hydroacoustic stations for passive ocean sensing	Mr SABRA, Karim
16:49	[262] Investigation of trends in ocean noise determined from the CTBTO hydroacoustic stations, including during the 2020 COVID-19 lockdown period	Mr ROBINSON, Stephen
17:04	[513] Long-term observations of a potential great whale call from the central Indian Ocean during 2002-2019	Ms PINTO, Nikita R.
17:19	[705] SMART Subsea Cables for Observing the Ocean and Earth: An Update	Mr HOWE, Bruce
17:34	Concluding remarks
